

SUD Addiction Counselor/Therapist MD State Certified The Jude House, Inc.

JOB TITLE: SUD Addiction Counselor/Therapist MD State Certified/Licensed
DEPARTMENT: Clinical
SUPERVISOR: Steve Brown*BA, CAC-AD*

At The Jude House, it is our mission to not only help our patients to become substance free but also to guide you in finding a new way of life. We hold recovery and positive living in the highest regard; Through respect and dignity we provide a rare opportunity to find recovery. We prioritize those individuals with criminal convictions and few financial resources as our target population. The philosophy of The Jude House, Inc. is to provide our services without judgment or discrimination.

GENERAL JOB DESCRIPTION

The candidate for this position will be responsible for assessing and providing treatment to individuals struggling with addiction / SUD issues. The Jude House Addiction/Mental Health counselor/therapist is the clinical focal point for services received by our patients who suffer from SUD related impact and are in need of long-term recovery. Our counselors/therapists are passionate about working with our patients to find their way on the road to recovery through group and individual counseling, aftercare planning, education, re-entry services, and experiential activity facilitation designed to support individuals on their journey of recovery by educating them on the skills needed to maintain long-term recovery.
